**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a small ISP and I oppose the USTelecom petition to eliminate wholesale requirements for UNEs. Thanks to these requirements I have affordable high speed fiber internet from a small carrier that offers much better customer service, features, and privacy than the large Telcos represented by USTelecom. The large carriers are clearly afraid of the competition. Please don't allow them to squash it!
